# BOARD OF

Mr. Awalt

Mr. S. Anderson

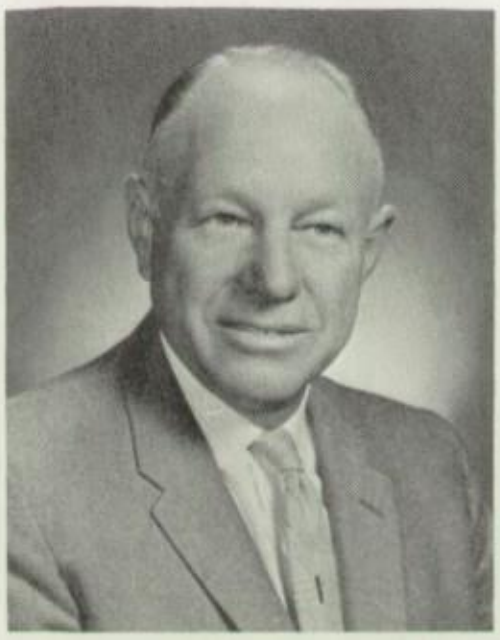
Mr. C. Anderson

Dr. Huntsman

The story of the school life of our Mountain View High School is the story of its cast — the students themselves. I am proud to be one of the directors of your studies and activities for this year, 1959. It is my hope that, as the years go by, these pages will bring back many happy memories of a constructive and rewarding year.

A. Blaine Huntsman,
Superintendent

Mr. Camp



Mr. Christiansen

Mr. Dethlefson

# DIRECTORS

This week marks the premiere of the major production of the school year, the Class of '59. How successful this premiere will be has been the chief concern of the parents, the friends, the faculty, and the administration for four years. The factors contributing to the success or failure of this premiere are many. Each member of the cast must have a sensitiveness and concern for the welfare and happiness of all, and the entire cast must have a preparation that causes each to be self-sufficient and at the same time capable of helping others. This Class of '59 has had a very adequate training in preparing for a long successful run.

Camera Shy!

Debutantes?

These four years at Mountain View High School have literally flown by for the Class of '59. From the happiest moments to the times we felt at a loss, we shall remember high school.

Activity has filled our senior year: the Senior Variety Show — Beatnik '59 — which packed the auditorium; the busy nights of work preparing the senior float, and finally winning first place; the blast we had on the fun-filled senior snow-trip; the many nights of work to present our fabulous Senior Play; the wonderful time we had at the Senior Ball; and last but not least, graduation.

High School, one of the principal steps in the stairway of life, has been sturdily built. We eagerly look upward to our goals at the top of this stairway with the hopes of a successful and good life.

## JUNIOR-SENIOR

Carol Borene
President

Junior-Senior Girls' League got off to a good start this year with the Big and Little Sister Picnic held in September.

Early in November we started making plans for our annual Football Homecoming. Marie Giovacchini was chosen Homecoming Queen for 1958.

Our next big project was the Christmas Dance, which turned out to be a huge success featuring the theme, "Noel en Rouge."

In mid-February we held our annual Beauty and Talent Show. Dawna Dishaw was chosen "Miss Mountain View High School," with the Blue Sharps taking first place in the talent division.

In the spring we had our Mothers' Tea where the junior girls acted as hostesses, and the senior girls modeled clothes from various stores.

We, the officers and committee heads, had a wonderful time participating in Girls' League this year.

# LEAGUE

## FRESHMEN-SOPHOMORE

The Freshman-Sophomore Girls' League this year had a list of very entertaining programs to present throughout the year.

We began the year with a meeting in which we had a representative from Harts' present some of the latest fashions. We then had our annual fashion show. Our Homecoming Game was next. The Student Body selected a girl to reign over the game as our Homecoming Queen. The Beauty and Talent show was next on our agenda. Both the Freshman-Sophomore and Junior-Senior Girls' League participated in presenting this annual event.

I wish to thank all of the girls with whom I worked, and I know that they were as proud to serve in the Freshman-Sophomore Girls' League as I was.

# JUNIOR-SENIOR BOYS' LEAGUE

Rudy Torres, President

Boys' League holds four meetings a year. Entertainment and business compose the hour long meetings.

For entertainment we had talks by Mr. Kidwell and our foreign exchange student. We also included musical programs.

Individually, the boys have different goals, but together as a league we have but one, that is to develop a strong bond of friendship. I hope that through our four meetings this year, we have reached this goal.

## GIRLS' STATE

Last summer I spent one of the most memorable weeks of my life at California Girls' State in Sacramento, as a representative of Mountain View High School. This program is sponsored by the American Legion Auxiliary.

In one short week I gained invaluable knowledge of the workings of our state government and of my duties and privileges as an American citizen. I also had the opportunity to meet many girls that I will remember always.

I sincerely hope this extremely beneficial and enjoyable experience will be afforded to many girls in the future.

## BOYS' STATE

Last June, over 800 boys converged on the State Fairgrounds in Sacramento to begin the 21st annual California Boys' State.

We were organized into cities, and held our own elections. The all-night campaign rally was rough, but I'd do it again.

Sponsored by the American Legion, the program included athletics, variety shows, and a trip to historic Sutter's Fort and the Capitol. At the Capitol, I saw $120,000,000 of the state's money.

The highlight of the stay, for me, was a private interview with Governor Goodwin J. Knight for the Boys' State newspaper.

FRONT ROW: Mr. Nichols, E. Acquilino, E. Anderson, A. Kutlu, K. Smith, R. Shimizu, F. Baptiste. SECOND ROW: P. Reed, P. Andreason, M. Abey, K. Poncini, A. Nishimoto, K. Blancet, F. Acquino, J. Domingo. BACK ROW: R. Bergford, V. Williamson, D. Fleming, A. Huber, R. Sanchez, W. Duke, R. Garrett, R. Chappell.

On August 14, 1958, I arrived in New York as a representative of the American Field Service.

As I walked up the ramp at the San Francisco Airport, my family and friends were there to greet me. I think my family had read my happiness in my face. After that day, a happy, wonderful year started for me in my life.

Like every other exchange student, I also had a big aim: to represent Turkey and the American Field Service and to learn much about America. In this very civilized country, I found new experiences and knowledge about American life.

During this happy year my family and all the teachers and friends tried to give me information about everything that I wanted to learn and were very helpful in teaching me to speak English. The American people are very friendly, and I never at any time felt alone.

I am returning to Turkey with new experiences, ideas and knowledge about America. I will always remember you and all these happy, wonderful days. Thank you very much, all of you, my teachers, my friends, my family and the American Field Service for this, my happy year.

# FOREIGN EXCHANGE

John Nidecker

Last summer, as a participant in the American Field Service Exchange Student Program, I was able to live with a family in Germany and find out what the people of that country are like.

During my whole stay with them, my German parents and my two brothers, Bernd and Jorg, helped me to feel that I was not just a guest, but actually a member of the family. It was through our close relationship and understanding that I learned much about the way of life of the German people. I found that the people, underneath the differences of language and customs, are very similar to us, I also observed that our country has a great influence in Germany. The people there respect and admire the U.S.A. and have a strong feeling of friendship toward us.

I believe that part of that feeling of friendship was brought on by the American Field Service and similar organizations, and I hope that the AFS will continue to work for international peace and understanding in the years to come.

# EAGLE STAFF

Carol Rietman, Fall Editor; Mrs. Flear, Advisor; Lee Mullen, Spring Editor.

The Eagle, our weekly school paper, is put out by the Journalism II class. The purpose of the Eagle is to inform the student body of what is going on (past, present or future) within our walls.

The Journalism class of 1958-1959 would like to thank Mrs. Flear, our adviser, for all of her encouraging help.

# BLUE & GRAY STAFF

"Next week we must get organized," was a well known quotation in the production of this year's Blue and Gray, and work we did when the last-minute pressures of each deadline descended upon us.

As the year's annual work comes to an end, we bring to a close a hectic, but enjoyable year of anxiety, confusion and laughter. We hope the "PREMIERE of 1959" will recapture many memorable experiences of this high school year.

Bob,
Good luck in
the future. Let's
have fun having
Nicotory 'd
Judy Dawn.

A lot of luck to a real "cute"
kid. Hope you get
teachers like
to Pixie
Penn

# The End

Bob

To a guy with
a terrific personality
I want to wish you
all the luck in the
